

Sponsorship Packages

Be a part of this compelling, new documentary film that tells the remarkable story of Vince DiPasquale and how his journey has inspired thousands of others. As a noted lecturer and educator in the field of addiction, Vince is the founder of The Starting Point, Inc. of New Jersey an outpatient counseling, referral and education center specializing in the areas of dependencies and mental wellness. This new film, with the insights from others who have learned from and work with Vince, convey the restorative power of mental wellness, recovery, and personal growth.
